Signage

We offer a blackboard at the bottom of the stairs directing your guests upstairs as well as a larger event blackboard upstairs to welcome your guests.

Linens

Our rustic tables are crafted from the original ceiling boards of the restaurant and do not require tablecloths. But if you would like to add some color or style to your event, we suggest renting linens from ABCO (AbcoParty.com) located just down the street at 2033 E 11th on Historic Route 66.

Banquet table measurements are 8' long, 28" wide, and 42" tall. Tip: A standard 10' long tablecloth works well if doubled lengthwise.

Presentations

The Tequila room is equipped with (2) 55" televisions. Video presentations may be accessed via USB thumb drives or connected through an HDMI cord to your computer. A dry erase board is also available.

Additional Tables

Let us know if you need an extra table for gifts, goodie bags, or presentation materials.
